

PHILIPS

Ultinon LEDs

Philips Ultinon LED lighting Bright signaling and stylish driving

- **More SKUs** than ever before!
- **White and blue** interior LEDs.
- **White, red, and amber** exterior LEDs.
- **Bright new packaging** with installation tips for polarity and CANbus.

Philips Ultinon LEDs for interior & exterior – Blue, White, Red, or Amber; also available, CANbus adapter

Philips Ultinon LED lights deliver brilliant, **high-tech lighting** with a choice of cool blue, intense red, intense amber or 6000K bright white.

The bright output and intense colors of Philips Ultinon LEDs provide more than just style. They provide excellent light distribution, with a wide angle beam on the road so drivers can see and be seen better.

Philips Ultinon LED lights also deliver **‘instant on’ performance**. When turning or braking, Philips LEDs allow drivers more time to react safely.

Philips Ultinon LEDs are automotive grade quality products, designed and developed for reliability and durability following strict quality control processes.

And Philips Ultinon LED lights serve as **direct replacements for conventional bulbs**.

They’re easy to install and are available for a wide range of interior and exterior applications – stop lights, turn signal lights, backup lights, taillights, position lights, hazard lights, trunk lights, glove compartment lights and interior floor lights.
